

# 61<sup>st</sup> Annual July 4<sup>th</sup> Woodside Junior Rodeo

## Junior Rodeo Friend & Supporter:

We appreciate your interest in supporting a great event for a great cause!

There are many advertising sponsorship opportunities to choose from. Ask one of our Mounted Patrol members listed below for more information and a brochure.

Keeping the American rodeo spirit alive by supporting the next generation of cowboys and cowgirls is important to us. These boys and girls are provided an opportunity to ride at our beautiful facility in Woodside, CA. This rural setting amongst the sprawl of the San Francisco Bay Area attracts patrons throughout the Northern California.

Sponsorship for this event not only shows support to our future cowboys and cowgirls, but it also provides businesses visibility to the diverse Bay Area Community. Your participation will make a difference!
